★ 🚢 My top 10 posts of 2022

Despite the global energy crisis, 2022 was an exciting year for the LNG industry and me personally with the start of a new life in Canada. My LNG network kept steadily increasing with over 15 million impressions in 12 months and close to 40,000 followers. Thank you all for your support and stay tuned for more LNG content in 2023!
